INVESTOR IN PEOPLE

October 2015

Dear friends and former pupils of Harris Academy,

It is difficult to believe that we have already completed our first term in our final year in Lawton Road. How time flies!

As we witness the rapid development of our new school on Perth Road, the level of excitement across the school community is truly palpable. We have already made good progress in working with colleagues in Menzieshill High School to draw up plans for the integration of Menzieshill pupils and staff to Harris Academy 2016.

Following the Council's meeting in September, a meeting involving six senior pupils was held in Harris Academy on 5th October to draw up plans for pupil involvement in the design of the FP artefact for the new school. This initiative has engendered excitement and anticipation amongst our young people as well as forging a strong connection between the Former Pupils' Association and the current pupils of Harris Academy.

We already look forward to viewing the proposed designs at the next Council meeting on 16th November.
